1) Introduction:

CHOMIK (CHMK) is a meme coin inspired by the joy and humor that internet culture brings. As a community-driven project, CHOMIK aims to leverage the power of memes and collective enthusiasm to create a vibrant and engaged community. With a focus on transparency, security, and fun, CHMK is positioned to become a significant player in the meme coin space.

2) Vision and Mission Vision:

To become the leading meme coin that brings people together through laughter, community engagement, and shared financial success.

Mission:

- To build a strong, fun, and active community.
- To provide value through community-driven initiatives and rewards.
- To ensure transparency and security in all our operations.
- To continuously innovate and adapt to the evolving crypto landscape.

3) Tokenomics:

Contract Address: 0x636BA3790B7A5291784653e3D4357B98092A70Fb

Total Supply: 1,000,000,000 CHMK

Tax: 0% on all transactions, ensuring that holders and traders can move CHMK without any additional costs.

4) Allocation:

- DEX Liquidity Pool + Fair Launch: 85% - Ensuring ample liquidity for decentralized trading and minimizing price volatility.
 - Development/Team: 2% - For ongoing development and operational expenses.
 - Community Airdrops/Contests: 5% - To reward the community and incentivize engagement.
 - Marketing: 5% - To drive awareness and adoption through strategic marketing campaigns.
 - CEX Liquidity: 3% - For ensuring liquidity on centralized exchanges and supporting broader trading opportunities.
-
- Allocation of Funds DEX Liquidity Pool (85%):

This allocation ensures that there is sufficient liquidity available on decentralized exchanges (DEXs) to facilitate smooth trading and price stability. The large liquidity pool will also help in reducing slippage during trades, making CHMK an attractive option for both small and large investors.
 - Development/Team (2%):

This portion is reserved for the ongoing development of the CHOMIK ecosystem, covering operational expenses, technical development, and strategic partnerships. The team's commitment to the project's long-term success is reflected in this modest allocation. Community
 - Airdrops/Contests (5%):

A significant aspect of CHOMIK's ethos is community engagement. These funds will be used to reward active members of the community through airdrops and contests, fostering a sense of belonging and ownership among CHMK holders.
 - Marketing (5%):

Effective marketing is crucial for the growth of any project. This allocation will be used for promotional activities, influencer partnerships, social media campaigns, and other marketing strategies to increase visibility and adoption of CHMK.
 - CEX Liquidity (3%):

To facilitate trading on centralized exchanges (CEXs), this allocation ensures that there is adequate liquidity, making it easier for users to buy and sell CHMK on these platforms.
